

STAGE AREA/ELECTRICAL

10-piece band preferred size 12' x 24'

minimum 10'x16' for larger venues- the above two-tiered setup is preferred even for 10-piece band

Two Standard 20AMP Circuits (120 VOLTS, 20AMP - 15 AMP minimum) within 25' of band area. FOR LARGE ROOMS - SEE 2-TIER DIAGRAM ABOVE FOR 220V REQUIREMENTS. Usually in small to medium rooms, getting power is not a problem, but please at least consider the location of electrical power when deciding where to locate the band. THANKS!
